- GKS 국내취업사례(산업경영공학과 2026학년도 졸업생)

“준비된 실력이 만든 기회, 품질을 책임지는 엔지니어로”

인도네시아에서 온 정부초청장학생 MJ는 산업경영공학과에서 품질관리와 생산 시스템에 대한 전문성을 차근차근 쌓아왔습니다. 단순히 전공 수업을 듣는 데 그치지 않고, 실제 산업 현장에서 경험을 쌓기 위해 인도네시아 현지 기업의 공사관리 부서에서 공사 안전관리 보조 인턴으로 근무했습니다. 현장 자재와 장비가 품질 기준을 충족하는지 점검하고, 데이터 전처리와 품질 검토 업무를 수행하며 품질관리 직무에 필요한 실무 감각과 데이터 분석 역량을 함께 키웠습니다. 교내에서는 전공동아리 활동을 통해 전공 지식을 심화하고, 재한 인도네시아 유학생 협회 임원으로 활동하며 다양한 국적의 학생들과 소통하고 협력하는 리더십도 길렀습니다. 또한 TOPIK 6급, TOEIC, TOEIC Speaking, Google Analytics 등 다양한 자격을 취득하며 언어 능력과 디지털 역량까지 꾸준히 강화했습니다. 이처럼 학업과 실무 경험, 그리고 꾸준한 자기계발을 바탕으로 마하라니 씨는 태양3C(주) 품질관리 직무 취업에 성공했습니다. 특히 대학에서 제공한 자기소개서 첨삭 프로그램은 여러 경험을 지원 직무와 연결해 하나의 일관된 스토리로 정리하고, 자신의 강점을 효과적으로 전달하는 데 큰 도움이 되었다고 말합니다.

IV. GKS Alumni Highlights

○ GKS Alumni Employment Success Story

(Department of Industrial & Management Engineering, Class of 2026)

“Turning Preparation into Opportunity: A Quality Engineer Ready to Make a Difference”

MJ, a Global Korea Scholarship (GKS) recipient from Indonesia, steadily built expertise in quality management and production systems while studying in the Department of Industrial & Management Engineering. Beyond classroom learning, MJ gained valuable hands-on experience by working as an Assistant Safety Management Intern in the Construction Management Department of a company in Indonesia. During the internship, MJ inspected whether construction materials and equipment met quality standards and assisted with data preprocessing and quality review tasks, developing both practical quality management skills and data analysis capabilities.

On campus, MJ actively participated in the department's academic club to deepen professional knowledge while also serving as an executive member of the Indonesian Student Association in Korea. Through these activities, MJ strengthened leadership, communication, and cross-cultural collaboration skills by working with students from diverse backgrounds. In addition, MJ continuously enhanced both language proficiency and professional competencies by earning TOPIK Level 6, TOEIC, TOEIC Speaking, and Google Analytics certifications.

Based on a strong combination of academic achievement, practical experience, and continuous self-development, MJ successfully secured a position in Quality Management at Taeyang 3C Co., Ltd. MJ also shared that the university's résumé and personal statement consulting program played a significant role in organizing diverse experiences into a coherent and compelling story, making it possible to effectively highlight personal strengths throughout the recruitment process.
